National Military Command Center (NMCC), NMCC-Message Center, NMCC Support Center and NMCC Operational Summary (OPSUM) reports; for National Operations Summary (NOS), use 010/361

National Airborne Operations Center (NAOC) (formerly National Emergency Airborne Command Post (NEACP)); National Emergency Command Post Afloat (NECPA) (Disestablished 1969); Alternate NMCC (ANMCC) (Site R); Alternate Joint Communications Center (AJCC); Worldwide Airborne Command Post (WWAENCP); Survivable Mobile C2 Center; Take Charge and Move Out (TACAMO)

Alternative Command Posts and Centers of the Unified and Specified Commands

Command and Control (Use for Global Command and Control System (GCCS) operating system part of JOPES (367) major component of Defense Information Infrastructure (DII) (683) supporting C4I FTW (368). Includes operational control/management of equipment, facilities, systems & plans. Command Arrangements for Dual-Based Forces. Theater Battle Management (use 724 for nuclear command and control)

Command, Control, and Communications System (C3S) Programs (includes NATO Air Command and Control Systems (ACCS) documents); (Used also for Command, Control, Communications, and Intelligence (C3I); for Coordination of US C3 Position in International Forums, use 366/541

2/7/2008
Joint Operational Planning and Execution System (JOPES)—Secret high computer systems for OPLAN development. Software application produces TPEDD; Includes Joint Deployment Management System; Joint Deployment Process

Command, Control, Communications, Computer (C4) and Command, Control, Communications, Computer, and Intelligence Systems (C4I). Use also for C4I/FTW and C4ISR operational architectures; and the management of defining joint mission areas for C4S, C4I, and C4ISR interoperability within Global Information Grid; Joint Mission Area Analysis; Joint Operations Concept Paper (JOPSC) (future joint force)

Tactical Command and Control Systems (Includes JINTACCS, JTIDS, etc.; mobile command centers)

ARMED FORCES OF THE UNITED STATES or NATO, NATO Military Appreciation documents, reorganization of armies, etc.; use 040/370 for Unified Command Plan (UCP)

Unified Actions Armed Forces (UNAAF)

FORCE POSTURE (sourcing for mission goals), Strength and Levels (Prior to Nov86 included force objectives and goals). Used for composition of quick reaction and rapid reaction forces (QRF/RRF) in contingency operations (e.g. Haiti, Somalia); Drawdown of forces (affecting Force Presence in a region or AOR); Availability of U.S. forces in NATO non-article V operations; Rationalization of forces (Task Force oriented)

FORCE STRUCTURE – Strategic Forces, General Purpose Forces and Other Types of Forces, (Includes specifics/functions); Force Structure and Force Mix Studies; Forces for Unified Commands;

Readiness and Status of Forces (General) Deployment/redeployment (OPTEMPO/PERSTEMPO); Warfighting capabilities (current ops); Operational Availability; rapid reinforcement; US and Allied Order of Battle (ORBAT); (emphasis here is how well a unit is trained, equipped to carry out mission); Also used for Bottom-Up Review (BUR); Joint Monthly Readiness Report (JMRR); and (Global) Status of Resources and Training System (SORTS)/GSORTS; CJCS Readiness System, Global Military Force Policy (GMFP); Universal Joint Task List; Risk/Risk Assessments (CJCS Risk assessment (CRA) - 021/374); Combat Support Agency Review Team (CSART) assessments; Global Joint Force Presence Policy (GJFPFP)

Army Forces (Deployment, strength, readiness, stationing and movement)

2/7/2008
Air Forces (Deployment, strength, readiness stationing and movement)

Marine Forces (Deployment strength, readiness stationing and movement)

Naval Forces (Deployment strength, readiness, stationing, movement), includes Coast Guard Forces, STANAVFORLANT, GNFP

Reserve Forces, National Guard and Air National Guard (Troop #s in operations) Troop rotation

Training and Training of Forces (operational - unilateral or one service); Joint Combined Exchange Training (JCET) (OPS side of Theater Engagement Planning (TEP)); Joint Authority Document (JAD) for JCET; for monthly JCET JAD packages, use 040/380

Demonstration of Forces and Participation (Show of force) e.g. Use of Turkish bases for Air Cover OPS in Bosnia and Kosovo; Demarche to Iraq NFZ violations); Flexible Interruption Options

Mobilization and Demobilization of Forces (Active/Reserve Planning - Selective, Partial, Full, or Total); authorization ceilings; Master Mobilization Plan (supports plans of the Combatant Commanders); Force Closure

Unconventional Warfare and Unconventional Warfare Forces; Special Operations Forces; SEALS

Force Planning, Objectives, and Goals; Roles and Missions

EXERCISES AND MANEUVERS (Critiques, Command Post Exercises (CPX), exercise observers, and others; Joint/Combined Exercises (involves players from more than one agency/service); PFP Exercises (use Country or Combatant Commander/385)

War Gaming; Competitive Strategies; Simulation (Includes planning and joint war games); Use also for computer models of war games); see 688 for other types of models

Withdrawal of Forces, Observers; Extraction Operations

Accidents and incidents related to operations; aircraft accidents (non-nuclear); aircraft-related mishaps in which fatalities or injuries were caused by another service’s aircraft; friendly fire; non-aviation accident to include ground and afloat mishaps; Accident assistance (judicial, investigative, expertise)

2/7/2008
EMERGENCY ACTION PROCEDURES AND CHECKLIST (EAP Staff Visits and Assessments)

Alerts and Defense Readiness Condition (DEFCONS) (Readiness and alert of commands); CJCS Alerting System NATO Precautionary Measures

Attacks by Aircraft/Missiles and Surprise Attacks; US Action in the Event of Cuban Attack on US Aircraft/Ships

Alerts (Use for non-DEFCON type papers)

Courses of Action during Periods of International Tension and Crisis; Contingency Planning; for Contingency Planning Guidance (subset of DPG), use 340/552

Crisis Management and Emergency Procedures Standard Operating Procedures; Crisis Staffing Procedures for CJCS; Nuclear Operations Group, JCS Element for Nuclear Matters During Crisis; NATO Crisis Response System;

Search & Seizure; Visits and Searches; Consensual Boardings

LESSONS LEARNED FROM OPERATIONS AND CRISIS (Includes comparisons and evaluations of conflict areas); Remedial Action Project Program (RAPP) recommendations); Joint After Action Reporting System (JAARS); Joint Universal Lessons Learned System (JULLS); Joint Center for Lessons Learned (JCLL)
LOGISTICS POLICY AND GUIDANCE

Logistics (General)

Logistics Requirements, Readiness, And Resources (includes LOGSTARS) (logistics capabilities and status for deployed forces) Sustainment; Focused Logistics

Logistical Support of Command Plans and Logistics Plans Lead Nation Support/Role Specialist Nation; Joint Doctrine for Civil Engineering Support (JT Pub 4-04)

Logistical and Administrative Support (Includes fiscal arrangements, uni-service support by one of the military services, facilities, fiscal and personnel support)

Resources (General and Natural Resources of the United States) Conservation issues; (For Foreign Resources, other than NATO countries, use 534)

NATO/Allied Resources

MODERNIZATION (Use w/ acquisition reform (414), logistics modernization (402), and reengineering (408). Can be used with force structure (373), weapons systems infrastructure (480), and information technology infrastructure (683) modernization

Business Process Engineering/ Restructuring/Performance results (mission)

Operational Test & Evaluation (OT&E)

RESEARCH AND DEVELOPMENT (GENERAL) (Includes Development Concept Papers (DCP), R&D test and evaluation (RDT&E)) (For nuclear development, use 711)

Advanced Concept Technology Demonstration (ACTD) Advanced Technology Integration Demonstration (ATID)

Joint Research and Development Objectives Document (JRDOD)

Interoperability/Standardization (Use for equipment, munitions, and armaments, etc.). Standardization Agreements (STANAGS). Rationalization, Standardization, Interoperability (RSI); For Terminology use 061 and for computer data standardization use 685

Reserve Planning and Policy (Equipment and systems)

2/7/2008
ACQUISITION/PROCUREMENT (Management and Policy)

Joint Capabilities Integration and Development System (JCIDS) (formerly Requirements Generation System/Process); Integrated Product Team (IPT) review of milestones

Strategic Mobility (Movement planning & studies e.g. Mobility Requirements Study); Rapid Reinforcement Forces (RRF) (NATO); Force Protection for Strategic Mobility Assets

Transportation Plans to Support Command Plans

Transportation Resources and Traffic Management (MTMC), ADP Data Systems for Transportation

Defense Transportation Tracking System/Global Transportation Network; Total Asset Visibility

Airlift Air Transportation; DIA Special Category Mission Request; JS MILAIR Reporting (020/445); for Humanitarian Assistance Airlift Operations, use 359

Land Transportation (Trains, railroads, trucking and highways)

Sealift and Shipping; Military Sea Transportation Service (MSTS); Ready Reserve Force (Ships/Sealift)

Cargo Movement and Transportation

Foreign and International Transportation Matters

Humanitarian Transportation

RESOURCES AND ENERGY CRISIS (POWER)

ENVIRONMENTAL CONTAMINATION/CRISES (including Oil Spills, Fires and Emergencies, Pollution (air and water), Hazardous Waste and Toxic Materials, Carbon Dioxide Emissions, Greenhouse Gases, Global Warming); Environmental Protection; Environmental crime

PETROLEUM, OIL AND LUBRICANTS (POL) AND JOINT PETROLEUM OFFICES, FUELS

AIR-TO-AIR REFUELING/CAPABILITIES

AUTOMOTIVE VEHICLES - PARTS AND MAINTENANCE (Cars, jeeps, ambulances, trucks, etc)

Tanks

Amphibious Vehicles

Armored Vehicles (Includes personnel carriers, All Terrain Vehicles (ATV), etc.; Stryker

AIRCRAFT AND AIRCRAFT PARTS AND MAINTENANCE (Includes Vertical takeoff and landing (VTOL) and Vertical and short takeoff and landing (VSTOL) aircraft)

2/7/2008
Helicopters

Drones; Unmanned Vehicles (UAV); ALE Decoys

Aircraft Development/Improvement/Modification/R&D Modernization Upgrades

Aerostat - Tethered Aerostat Radar System (TARS)

SHIPS, SHIPBUILDING, SHIP PARTS AND MAINTENANCE (Use also for boats and watercraft assets such as tugs, barges)

Aircraft Carriers (Attack Aircraft Carrier (CVA))
Nuclear Propulsion Program

Submarines (Diesel/conventional) submersible undersea platform capabilities

Nuclear Ships/Submarines - Capabilities/R&D/Modernization (Includes visits to foreign ports as part of engagement, for refueling, etc.)

Commercial/Non-military Ships and Boats and Aircraft Foreign Flag Air Carrier Oversight Policy

BASES, INSTALLATIONS AND FACILITIES (Includes Infrastructures; base development, base development plan). Prior to Nov86 also used for NATO Infrastructure Budget documents

Critical Infrastructure Protection (formerly Critical Asset Assurance Program (CAPP)); Mission Assurance Asset Database (Formerly Critical Asset Database); Key Assets Protection Program (KAPP) (Non DOD assets)

Critical Infrastructure Program (Protecting DOD C2 Infrastructure

United States Bases Requirement Overseas (USBRO) and Key Facilities List (KFL); Beddown; Overseas Presence (basing, relocations, and realignments)

Base Rights and Negotiations; (Includes Forward Operating Base; Forward Operations Base (FOB) for Special Ops; and Forward Operating Location (FOL) Agreements for CD Operations;

Host Nation Support (Includes burdensharing, payment in-kind, residual value payment)

Disposal of Bases, Installations and Facilities; Base Closure (US and Overseas); BRAC (Base Realignment and Closure)

2/7/2008
Air Bases and Airfields (Includes Joint Air Base Utilization Plan (JABUP) and Military Requirements for Civil Airports for Integration into the National Airport Plan (MRNAP); Aerial Ports

Army Camps, Posts, Centers and Stations

Naval Bases, Centers, Districts and Stations

Marine Bases, Centers and Stations

Ranges, Sites and Launching Sites-Pads

Harbors, Ports, Ports Of Embarkation/Entry (POEs) and Docks (Includes canals, dams, locks and bridges and security of); For Port Contamination/Decontamination, use 425

WEAPONS AND WEAPONS SYSTEMS (Includes weapons studies on strategic and tactical weapons) (See Nuclear Weapons and Systems 710-725)

Missiles (Guided and ballistic), Cruise Missiles, TLAM, Surface-to-air-Missiles (SAMs), TBM defense; Tactical Ballistic Missile Defense (BMD); Conventional Ballistic Missile Program

Missiles (Short-range) (less than 500 miles), Lance Missiles, Stinger Missiles; Hellfire missiles

Missiles (Mid-range and intermediate-range) (MRBM range of 600-1500 miles and IRBM range of 1500-3000 miles); Pershing 2

Missiles (Intercontinental-range) (ICBM range over 3000 miles), Poseidon, M-X

Antimissile-missile, Anti-radiation Missile (ARM) (HARM)

Rockets and Rocket Propulsion

Foreign Missiles, including launches; Air Launch Cruise Missile (ALCM)

MUNITIONS AND ARMAMENT (GENERAL) Depleted Uranium Use; Capabilities-based Munitions Requirement Process (For health hazards use 425)

Non-Lethal Weapons (e.g. blinding laser)

Ammunition, Explosives and other Dangerous Articles (AEDA) Disposal
Cannons, Guns, Rifles, Small Arms and Grenades

Rockets, Projectiles, Bombs, Torpedoes, Explosives, Flying Plates, and Conventional Warheads; Safety of (For Nuclear bombs/warheads use 713)

Ammunition (Bullets, cartridges and shells)

Improved Conventional Munitions (Formerly CONFRAM, Controlled Fragmentation Munitions)

Air-to-Air Missiles and Anti-aircraft Missiles (includes Sidewinder, Phoenix, Sparrow, AMRAAM missiles)

SLBM (Trident, Polaris and Poseidon); Launch Tube Removal (START)

FOREIGN ASSISTANCE/SECURITY ASSISTANCE PROGRAMS MILITARY ASSISTANCE AND MILITARY ASSISTANCE PROGRAM (MAP) POLICY AND GUIDANCE, ECONOMIC ASSISTANCE, INTERNATIONAL MILITARY EDUCATION AND TRAINING (IMET) (For single country involvement use with country number); (Also includes MAP Manual); Drawdowns to foreign governments; Use for requests by foreign countries for price and availability data, technical data, demonstration results data prior to acquisition; Use 265 for NDP information to foreign governments

Military Assistance Program (MAP) (General) (Problems, reports, measures, supervision, corrective actions and Grant Aid)

Foreign Countries Participation in Economic and Military Aid to other Countries

International Logistics (General) Foreign countries’ logistics

Sales, Purchases and Loans of Materiel, Arms, and Equipment to Foreign Countries; Foreign Military Sales (FMS); Foreign Military Financing; (Used also for Overseas, Humanitarian, Disaster, and Civil Affairs (OHDCA) Projects when FMS involved); Drawdowns to Foreign Countries when FMS involved

Economic Affairs and Policy (Domestic)
COMMUNICATIONS POLICY AND GUIDANCE

Defense Communications System (DCS) Plans and Programs

National Communications System (NCS) Plans and Programs

Communication with World Leaders (HOTLINE, MOLINK, etc.)

Communications Support to Commands; Contingency Communications Between Commander of a JTF and US Diplomatic Post

Tactical Communications and Control System e.g. JTIDS, MIDS; Tactical Broadcast Transmission Systems

Tactical communications (TACOM) (use of systems to execute)

Non-Tactical Communications (Includes strategic communications and non-defined types of communications)

Integrated Tactical - Strategic Data Networking (ITSN)

FREQUENCY/CHANNEL MANAGEMENT, ALLOCATIONS AND ASSIGNMENT; Spectrum allocation and licenses

Communication Networks and Circuits (Defense Information System Network (DISN) to replace Automatic Digital Network (AUNDIN) in year 2000; Automatic Voice Network (AUTOVON), and Ground Wave Emergency Network (GWEN), (ELF), Defense Switching Network (DSN), SIPRNET, NIPRNET)

Voice Communications (Automatic Secure Voice Network (AUTOSEVOCOM), Secure Voice Improvement Program (SVIP)); STU III; Defense Red Switch Network (DRSN)

COMMUNICATIONS SECURITY (COMSEC); Anti-jam techniques; Joint Communications Security Monitoring Activity

COMMUNICATIONS PROCEDURE (Call signs, address groups and routing indicators)

MESSAGE PROCEDURES, SYSTEMS AND EQUIPMENT (Electrically transmitted message procedures, systems, and equipment (Flash override and MINIMIZE Procedures, Automatic Message Processing System (AMPS), Defense Messaging System (DMS))

2/7/2008
Cryptography, cryptological programs, systems (Cipher, coding and encipher)

Allied Communications Publication (ACP), Joint Army-Navy-Air Force Publication (JANAP), Allied Data Publications, other NATO publications

COMMUNICATIONS FACILITIES AND INSTALLATIONS

Communications Equipment (all except those listed separately), to include MEECN; CJCS Control Tactical Communications Assets

Radio and Television (Broadcasting and Emergency Broadcast System)

Communication-Electronics research and development standardization and interoperability (includes most NATO ADSIA work)

Data Links, Data Transmission; (enables encryption of systems)

Radio Communications Equipment/Systems; Combat Survivor Evader Locator (CSEL)

Tactical Data Systems (Includes TADIL)

TELECOMMUNICATIONS (Systems/facilities/architectures) (Telephone, telegraph, FAX, JSIN, JSUNET, Intercom)

Video Teleconferencing

Wireless Telecommunications/Technology

COMMERCIAL COMMUNICATIONS AND FACILITIES; Mobile Satellite Services

ELECTRONICS POLICY AND GUIDANCE

Electronics (General)

Warning and Detection Systems (Distant Early Warning (DEW), AWACS, Airborne Early Warning, etc.) Target Acquisition (attack) Detection; Threat Warning Systems, e.g. DOD's Defense Indicators and Warning System (DIWS), Blue Dart (USEUCOM), and CRITIC (DCI); ITW/AA; Common Missile Warning System (CMWS)

Electronic Countermeasures (ECM) and Electronic

2/7/2008
Counter-countermeasures (ECCM), Jamming; Electromagnetic Interference and Jamming to US Space Systems; Aircraft Defensive Systems

655 Deception; Joint Military Deception Study

656 Joint Surveillance and Target Attack System (JSTARS) and other ground surveillance systems; CFC counterfire capability/near real time wide area surveillance and targeting

657 Sensors-Network Centric Sensors (targeting)-Network Centric Shooters (see also 306)

658 Emitters, NATO Emitter Data Base

660 ELECTRONIC NAVIGATION; Global Positioning System (GPS) Navigation Warfare (NAVWAR)

661 Military and Civil Aerospace Management and Air Traffic Control (Includes Civil Aviation and Federal Aviation Administration matters, e.g. Wide Area Augmentation System (WAAS)); National Airspace System (NAS); Civil Reserve Air Fleet (CRAF); Air Surveillance ASOC) Systems (NATO) (for Overflights use 722)

662 Identification, Friend or Foe (IFF) and Selective Identification Feature (SIF); also homing devices; Combat Identification; Blue Force Tracking

663 Long Range Navigation (LORAN) System

664 Radar and Sonar (THAAD)

665 Moving Target Indication (MTI) Radar (w/surveillance systems like JSTARS)

670 Electromagnetic characteristics, properties, and impacts to include protection systems; CJCS Prioritization of C3 Nodes and Systems for High Altitude Electromagnetic Pulse Protection; Electromagnetic Spectrum Use in Joint Military Operations (see 030 for Joint Spectrum Center)

671 NMCC “HEMP” Shielded Enclosure

675 Electronic Equipment (all except those listed separately)

680 GLOBAL INFORMATION GRID (GIG) POLICY, GUIDANCE, DOCTRINE Global Information Grid Architecture (Includes):

681 INFORMATION MANAGEMENT POLICY AND PROCEDURES (Resources and business processes-people and funds)(functional and technical integration, analysis and planning, software engineering, methods modernization)

2/7/2008
INFORMATION TECHNOLOGY (Includes management and oversight of projects and programs as well as products; e.g. Year 2000 (Y2K) software; Smart Card; Personnel Asset Carrier)

DEFENSE INFORMATION INFRASTRUCTURE (Military's information highway - supports C4I/FTW; major components include Defense Information System Network (DISN) 611; Global Command and Control System (GCCS) 364; Defense Messaging System (DMS) 621; and Global Combat Support System (GCSS) 428; common operating environment (COE)

Automatic Data Processing (ADP)/Computers - General

ADP/Computers (Includes digitalization, data storage, data codes, data standardization, programs (software and languages); (Application of information technologies that enable battlefield systems to acquire, exchange, and employ information throughout battlespace

ADP/Computer Equipment (Hardware)/Facilities

ADP/Computer Systems/Networks (Use for Automated Information Systems (MAIS), (JSAN), (JSAP) information exchange/integration/interoperability; enterprise solutions; E-mail; SIPRNET/NIPRNET; DOD Intranet; Information systems certification/accreditation; Key Performance Parameters (KPP); Advanced Distributed Learning (ADL) Networks

Configuration Management (ADP/Computer Systems/Networks (identification/documentation of functional requirements and capabilities of models, simulation, databases and changes to)

Concept Interoperability Demonstrations (e.g. JWID)

Mathematical Models, Computerized Simulation, Joint Modeling Simulation Management; Joint Simulation Systems (JSIMS); Computer Assisted exercises/training (for war gaming models, see 386)

CIM (Corporate Information Management) - OSD Initiative/disestablished. Concerned with functional process improvement, migration systems, data standardization; see Global Information Grid (380)

INTERNATIONAL AND FOREIGN COMMUNICATIONS AND ELECTRONICS

Information Assurance; Cyber Intrusion Action Plan; Cybersecurity; Protection of C4 type systems, information systems networks, and telecommunications; for Computer Network Attack/Computer Network Defense (CNA/CND), use 314

2/7/2008
691.1 Battlespace Information Dominance/Superiority/Awareness
(combining of communication/computer environment, ISR,
and IO to dominate the battlespace)
NUCLEAR POLICY AND GUIDANCE

Nuclear (General); Nuclear Mission Management Plan

Legislation Affecting Atomic/Nuclear Control and Release of Information, Category 7-10 Restrictions, Atomic Energy Act and Restricted data

Atomic Energy and Peaceful Uses (Atomic reactor and nuclear propulsion)

Nuclear and Atomic Agreements with Countries and International Organizations—Includes Cooperative Threat Reduction (CTR) (Nunn-Lugar legislation); Safety, Security, and Dismantlement agreements; Material control and accounting agreements; Weapons of Mass Destruction (WMD) agreements; Fissile Material Cutoff Treaty (FMCT); Peaceful Nuclear Explosion Treaty (PNET);

Nuclear Support to Non-United States Forces

Nuclear Warfare

Theater Nuclear Forces (TNF), Intermediate Nuclear Forces (INF) Non-Strategic Nuclear Forces (NSNF), Nuclear Reserve Forces; Secure Resume Forces; Also for Intermediate Nuclear Forces (INF) Treaty (1988); Used also for Strategic Nuclear Forces

NUCLEAR WEAPONS AND SYSTEMS - Nuclear Weapons Council (NWC) (NWC oversees policy/operations) (Use 035/710 for NWC meetings and activities)

Nuclear Weapons Development, Research, Conversion, Procurement and Production (Heavy Water)

Atomic Demolition Munitions (ADM)

Nuclear Bombs (H-bomb) and Warheads; For conventional warheads, use 490

Theater Nuclear Warfare, Theater Nuclear Planning

NUCLEAR WEAPONS SAFEGUARDS AND SECURITY/SURETY (Physical, personnel, custodial and release and employment procedure); protection and security Personnel Reliability Program; Joint Policy Concerning Positive Control Material and Devices

Permissive Action Links (PAL); Message Authentication System Calculator (MASC)

2/7/2008
Safety Rules for Nuclear Weapons Systems

Nuclear Weapons and Materials Detection; Nuclear Emergency Search Teams (NEST)

Emergency Destruction of Nuclear Weapons

STORAGE AND STOCKPILING OF NUCLEAR WEAPONS AND MATERIAL

Nuclear Weapons (NUWEP) Requirement, Allocations, Dispersal, Credit, Transfer, and Deployment; Nuclear Posture Review

Overflights of Nuclear Weapons (For violations of airspace, use 546)

Nuclear Materials, Fuels, Facilities

Nuclear Weapons Command and Control (C2) and Command, Control and Communications (C3); Nuclear Planning & Execution System (NPES) (Use with 030/ for Nuclear Support Staff meetings and activities); Polo Hat Operational Assessment

NUCLEAR INCIDENTS AND ACCIDENTS

Radiation, Fallout and Decontamination, Waste Disposal, OSHA Radiological worker exposure regulations; Human radiation experiments

Damage and Damage Assessment (Nuclear and conventional weapons); RECA Program

Weapons of Mass Destruction (WMD) (Nuclear-Chemical-Biological (NCB) (CB) incidents; Use 549 for terrorist attacks or 313 for chemical/biological warfare (CBW) agents and defense)

Nonproliferation; 1997 Chemical Weapons Convention (CWC) prohibits manufacture, stockpile, and use of; Biological Weapons Convention (BWC); Chemical Weapons Compliance

NUCLEAR TEST BAN TREATY AND OTHER NUCLEAR TREATIES

Comprehensive Test Ban Treaty (CTBT) (1996); Nuclear NonProliferation Treaty (NPT) (1969) extended (1995); Fissile Material Cutoff Treaty (FMCT); Dismantlement of Nuclear Weapons (result of)

Nuclear Free Zone and Nuclear Moratorium

Nuclear Testing Plans, Programs and Training

Underground Nuclear Tests (Air samplings)

2/7/2008
Above Ground Nuclear Tests

Nuclear Detection and Reporting system (NUDETS)
Nuclear Detonation Detection (NUDETS) System (NDS)

Counterproliferation (prior to 2003, covered under 756)

THERMONUCLEAR

Nuclear Countries and International Atomic Energy Agencies (IAEA)

DISARMAMENT AND ARMS CONTROL POLICY AND GUIDANCE—US
(includes Nuclear Disarmament)

Disarmament and Arms Control (General) Standing Consultative Commission (SCC) issues (ACDA Chairs SCC Backstopping Committee)

International Disarmament Conferences (SALT, START, CDE, CD)

DISARMAMENT/ARMS REDUCTION TREATIES (SALT; START (I) (1992); START (2) (1996); and beyond); ABM Treaty (1972) (outgrowth of SALT); Safety, Security, and Dismantlement (SDD); (for Nuclear Test Ban Treaty, CTBT, NPT and other Nuclear Treaties 730)

Arms Control/Limits on Weapons/Dismantlement; Implementing Procedures for Agreement on Measures to Reduce Risk of Outbreak of Nuclear War Between US and Russia (FSU); Safeguards, Transparency & Irreversibility (STI) Talks

Control and Limitations on Armed Forces, Mutual Balanced Force Reductions (MBFR), Conference on Security and Cooperation in Europe (CSCE), and Confidence Security Building Measures (CSBM) (Includes conventional weapons control); Conventional Forces Europe (CFE); Guidance for Implementation of Vienna Document

INTERNATIONAL CONTROL ORGANIZATION AND SAFEGUARDS

Observers, stations and inspections, verification, and validation, including notification of; Use also for Joint Compliance and Inspection Commission (JCIC) inspections; Special Verification Commission (SVC); UNSCOM inspections 815/761

Noncompliance
